

California Tenant Law

Get out of Victim Mode. Learn what to do.

- Pages and pages of free legal information, advice, and strategy
- Written by lawyer Ken Carlson from 33 years' expertise in helping tenants
- Easy to understand and use - plain talk, not legalese
- Learn about illegal late fees and how to get things fixed
- Inexpensive consultations by appointment or on the Hotline for emergencies
- Legal paperwork properly written and sent to your email or fax with instructions
- Inexpensive legal “kits” for eviction, security deposits, even doing a jury trial!
- Look up the law and read it for yourself
- Learn how to find your *real* landlord
- Find tenant lawyers, products and services, tenant organizations, and more!
