NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF CARPINTERIA DOES ORDAIN AS FOLLOWS:

SECTION 1. Incorporation of Recitals. The Council hereby finds that all of the foregoing recitals and the staff report presented herewith are true and correct and are hereby incorporated and adopted as findings of the Council as though fully set forth herein.

SECTION 2. Findings. The Council hereby finds, determines and declares that this urgency ordinance adoption pursuant to Government Code section 36937 is necessary because:

- A. Commercial activity and businesses are essential to a vibrant and healthy community, and this temporary moratorium promotes stability and fairness within the commercial rental market as businesses have been substantially impacted by orders to “stay-at-home” and limitations on operations and hours; and
- B. Without the imposition of this urgency ordinance, there is an increased risk of a substantial impact to our local businesses, causing further disruption by delaying local economic recovery, and imperiling the lives or property of inhabitants of the city; and
- C. For the immediate preservation of the public peace, health, and safety, the Council finds that it is necessary to adopt an ordinance regulating commercial evictions, for all of the reasons set forth in the recitals above, which are incorporated herein by reference.

SECTION 3. Urgency Need. Based on the foregoing recitals and findings, all of which are deemed true and correct, this ordinance is urgently needed for the immediate preservation of the public peace, health, and safety. This urgency ordinance shall take effect immediately upon adoption in accordance with the provisions set forth in Government Code section 36937.

SECTION 4. Temporary moratorium on commercial evictions. The Council does adopt the emergency regulations relating to commercial evictions where failure to pay rent results from impacts resulting from COVID-19 as more specifically set forth below:

- A. A temporary moratorium on eviction for nonpayment of rent by commercial tenants impacted by the COVID-19 crisis is imposed as follows:
 - 1. During the period of local emergency declared in response to COVID-19, no landlord shall endeavor to evict a commercial tenant in either of the following situations:
 - (a) for nonpayment of rent if the commercial tenant demonstrates that the commercial tenant is unable to pay rent due to financial impacts related to COVID-19, the state of emergency, or government response; or
 - (b) for the commercial tenant’s refusal to enter into or otherwise agree to a payment plan or agreement requiring the tenant to pay all or some of rent due during the period of local emergency declared in response to COVID-19; or
 - (c) for a no-fault eviction unless necessary for the health and safety of tenants, neighbors, or the landlord.

2. A landlord who knows that a commercial tenant cannot pay some or all of the rent temporarily for the reasons set forth above shall not serve a notice or otherwise seek to evict for nonpayment of rent.

3. A landlord who knows of a commercial tenant's inability to pay rent in full within the meaning of this ordinance if the commercial tenant, within a reasonable amount of time, not to exceed seven (7) days after the date that rent is due, notifies the landlord in writing of lost income and inability to pay the full rent due to financial impacts related to COVID-19, the state of emergency or government response. For purposes of this ordinance, "in writing" includes email or text communications to a landlord or the landlord's representative with whom the commercial tenant has previously corresponded by email or text. Any medical or financial information provided to the landlord shall be held in confidence, and only used for evaluating the commercial tenant's claim.

B. Nothing in this ordinance shall relieve the commercial tenant of liability for the unpaid rent, which the landlord may seek after expiration of the local emergency and the commercial tenant must pay within one hundred and eighty (180) days of the expiration of the local emergency or termination of this urgency ordinance ("Repayment Period"). Nothing in this ordinance shall prohibit the landlord and the commercial tenant from negotiating for the partial payment of unpaid rent, in which case the commercial tenant must pay the balance of unpaid rent within the Repayment Period. A landlord may not charge or collect a late fee or interest for rent that is delayed for the reasons stated in this ordinance; nor may a landlord seek rent that is delayed for the reasons stated in this ordinance through the eviction process until after the Repayment Period.

C. Enforceability

1. In the event of any violation of this Ordinance by a landlord, such a violation shall be enforceable by the individual tenant in a court of the appropriate jurisdiction in which injunctive relief may be granted, in addition to actual and exemplary damages. In any such court proceeding, the prevailing party shall be awarded his reasonable attorneys' fees and the court, where applicable, shall be empowered to order treble damages.

2. Nothing herein shall be deemed to interfere with the right of a landlord to file an action against a tenant or non-tenant third party for the damage done to said landlord's property. Nothing herein is intended to limit the damages recoverable by any party through a private action.

SECTION 5. Violations. This Ordinance is an urgency ordinance adopted pursuant to a local, state and national state of emergency. This Ordinance grants a defense in the event that an unlawful detainer action is commenced in violation of this Ordinance. Violations of this Ordinance also shall be punishable as a misdemeanor as set forth in

Chapter 1.08 of the Carpinteria Municipal Code.

SECTION 6. Uncodified. This Ordinance shall not be codified.

SECTION 7. Severability. If any section, subsection, sentence, clause, phrase or word of this ordinance is for any reason held to be invalid and/or unconstitutional by a court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this ordinance.

SECTION 8. Effective Date and Expiration Date. This ordinance shall take effect immediately upon its adoption and shall automatically expire at midnight on May 31, 2020, unless extended by the City Council following a lawful extension of Executive Order N-28-20 as may be ordered by the Governor of the State of California.

SECTION 9. Environmental Determination. The Council finds that the adoption and implementation of this ordinance are exempt from the provisions of the California Environmental Quality Act under section 15061(b)(3) in that the Council finds there is no possibility that the implementation of this ordinance may have significant effects on the environment. The ordinance would apply commercial and residential tenant protection measures to existing units in the City, which is solely an administrative process resulting in no physical change to the environment.

SECTION 10. Publication. The City Clerk is directed to cause this ordinance to be published in the manner required by law.
