WHEREAS on March 16, 2020, the City Council of the City of Glendale, pursuant to Glendale Municipal Code Chapter 2.84, adopted Resolution No. 20-28 declaring a local emergency necessitated by the growing concern over the Coronavirus Disease 2019 (COVID-19), a severe acute respiratory illness caused by a novel (new) coronavirus. Symptoms of the virus include fever, cough, and shortness of breath, and infected individuals have experienced a range of outcomes, from mild sickness to severe illness and death.

WHEREAS The number of confirmed cases has continued to escalate dramatically over a short period of time, and the Centers for Disease Control and Prevention advises us that COVID-19 spreads easily from person to person and has issued guidelines recommending that the public adopt policies and routines to enable social distancing wherever possible. In addition, on March 16, 2020, the City Council ordered the closure of and limitation of access to certain public establishments; and

WHEREAS on February 26, 2020, the Centers for Disease Control and Prevention (CDC) confirmed the first case of local person-to-person transmission of COVID-19 in the United States, and this case raises the possibility of community transmission of COVID-19 in the general public. The Health Officer of Los Angeles County determined that there was an imminent and proximate threat to the public health from the introduction of COVID-19 in Los Angeles County and concurrently declared a Local Health Emergency; and

WHEREAS on March 11, 2020, the WHO characterized COVID-19 as a pandemic, and as of March 12, 2020, the confirmed cases of COVID-19 worldwide exceeds 169,000 and more than 6,500 people have died from the virus. The County of Los Angeles has reported approximately 69 confirmed cases, and one death. The number of confirmed cases has continued to escalate dramatically over a short period of time. The Centers for Disease Control and Prevention advises us that COVID-19 spreads easily from person to person and has issued guidelines recommending that the public adopt policies and routines to enable social distancing wherever possible; and

WHEREAS the City of Glendale has redoubled its efforts to maintain hand hygiene, respiratory etiquette, and social distancing. It is absolutely critical that we as a City do everything we can to slow the pace of community spread and avoid unnecessary strain on the medical system. To aid in our efforts, the Director of Emergency Services is authorized pursuant to Chapter 2.84 of the Glendale Municipal Code, to make and issue rules and regulations on matters reasonably related to the protection of life and property as affected by such emergency, provided such rules and regulations must be confirmed at the earliest practicable time by the City Council; and

WHEREAS, as authorized by Glendale Municipal Code Section 2.84.090 and Resolution No. 20-28, the Director of Emergency Services has issued such Emergency Public Orders; and

WHEREAS, the Council has also adopted Resolution No. 20-29 declaring public orders related to the closure of bars, banquet halls, nightclubs, restaurants, movie theaters, live performance venues, bowling alleys, arcades, similar entertainment establishments, gyms and fitness centers
